ED 052 074 SO 001 246

TITLE	Teaching of Psychology in the Secondary School: Research Studies 1964-1971; Teaching of the Behavioral Sciences in the Elementary School. Selected Bibliographies.
INSTITUTION	American Psychological Association, Washington, D.C. Clearinghouse on Precollege Psychology.
SPONS AGENCY	American Psychological Association, Washington, D.C.
PUB DATE	May 71
NOTE	10p.
AVAILABLE FROM	American Psychological Association Clearinghouse on Precollege Psychology, 1200 17th Street, N.W., Washington, D.C., 20036 (single copies only)
EDRS PRICE	EDRS Price MF-$0.65 HC-$3.29
DESCRIPTORS	*Behavioral Sciences, *Bibliographies, Developmental Psychology, Educational Psychology, Elementary Grades, Human Relations, Individual Psychology, *Mental Health, *Psychology, Resource Guides, Secondary Grades, Social Psychology, *Social Studies

ABSTRACT

Two bibliographies are now available on precollege psychology. The first lists 24 recent publications on the teaching of psychology at the secondary level. Entries include journal articles, research reports, newsletters, scholarly papers, doctoral dissertations, and government publications. The other bibliography cites 115 references on the teaching of the behavioral sciences in elementary schools. Book entries on this topic are given as well as journal citations and research publications. (Author/JSB)
